Investing in the Next Generation of Servant Leaders.

The Shaun Duvall Legacy Foundation, a recognized 501(c)(3) public charity, glorifies God by investing in and developing the next generation of servant leaders and entrepreneurs through education, mentorship, relationships, service, and opportunity. Shaun believed in showing up for people, encouraging entrepreneurs, building meaningful relationships, leading by example, and pointing the credit back to God. Our goal is not simply to preserve that legacy - it is to multiply it.

RELATIONSHIPS OVER NUMBERS • Your support helps us invest not only in a young person's education or idea, but in the person themselves.

EVERY GUEST RECEIVES A LEGACY OF LOVE GALA GIFT. VIP guests receive an upgraded personalized Gala gift.

DONATED GOODS OR SERVICES PARTNERSHIPS

Goods or services contributions over $2,000: Exceptional high-value gifts will be reviewed individually so recognition and benefits can be tailored appropriately without automatically mirroring a cash sponsorship.

Examples of contributions we may consider: Artwork | Jewelry | Vacation stays | Experiences | Professional services needed for the Gala | Auction packages | Other goods or services specifically approved by the Foundation

Why goods or services partnerships are structured separately: Donated goods or services help create meaningful fundraising value while allowing the Foundation to preserve cash-sponsorship and ticket revenue. Recognition and benefits are based on the accepted contributed value and are separate from cash sponsorship levels.
